

## **Be your own boss with an in-house business opportunity from Creative Printers of London**

Are you looking to boost your income?  
Do you dream of a home-based business ...  
..... but don't know where to begin?

Look no further. Creative Printers of London presents a unique opportunity for you to start a home-based business producing high quality promotional gifts. Reap the financial rewards from this cost-effective and easy-to-use digital printing solution - and you'll never look back.

The concept of 'CrystalDrop Technology' offered by Creative Printers is a professional and easy-to-use logo doming kit. It enables you to create a wide range of full-colour branded promotional products. You need no previous experience, just your existing computer, scanner and an inkjet printer. What's more, this simple digital printing solution enables you to run over 6 potential businesses in one - at no additional cost and with highly profitable returns.

### **Make high-quality business gifts for minimal outlay and maximum returns**

Promotional products are one of the most effective marketing tools around. Used by a host of businesses, clubs, societies, charities, schools and universities to promote a brand, event, product or service, they can be useful or decorative. Most of all, they are highly sought after.

In just five easy steps, CrystalDrop Technology enables you to design and make a variety of high-quality promotional gift items. Using this simple modern digital system, you can reproduce high quality logos onto cufflinks, tie slides, lapel badges, bottle openers, key fobs, lighters, mobile phones, computer cases and many more.

### **The CrystalDrop Professional package enables you to:**

- \* Build a home-based business quickly and simply
- \* Benefit from high profit margins - and minimal set-up cost
- \* Turn a cheap looking product into an expensive gift item
- \* Produce promotional products in bulk or as a one-off gift item
- \* Maximise sales revenues with full-colour production capability
- \* Ensure product quality with superior scratch-resistant dome finish
- \* Save time and costs by producing multiple jobs at the same time
- \* Offer a next-day service to attract and retain potential clients

### **Boost your income with no fuss, no mess and no awkward machinery**

You can now enjoy an attractive residual income in no time - with no costly plate or set-up charges, low production costs, little wastage and a high profit margin. All you need is basic computer skills and the CrystalDrop Technology start-to-finish doming kit. The modern digital printing process takes up minimal desk space with no fuss and no awkward machinery.

### **Over 6 potential businesses in one**

CrystalDrop Technology offers the potential for you to branch out into other specialist print media areas. Not just a tool to create promotional gifts, this modern digital system presents a unique opportunity to produce many other items for no additional outlay. Once your business is up and running, you can explore the endless capabilities of the system and expand your offerings to clients.
